

Academic Support / Life Skills Enrichment Programs

Agency: Butte College	Phone: 530-895-2509
Program: Service Learning and Volunteerism Program	Email: smithma@butte.edu
Contact : Magian Smith	www.butte.edu/services/community/slp/
Client Description: Any student who wants to explore the world of ideas, in a practical way through personal experience, while providing a needed service in their own community.	
Services Description: Service-Learning enriches student learning of course material by moving students from the margin of the classroom experience to the community. Service Learning is provided as an opportunity for students wishing to explore connections between community service and classroom learning.	

Agency: Butte County Office of Education	Phone: 532-5613
Program: After School Programs	Email: jjarrett@bcoe.org
Contact : Julie Jarrett	
Client Description: BCOE currently serves students at 21 school sites in 10 school districts throughout Butte County. The goal of the Butte County Office of Education is to serve all students, in Butte County and throughout the state.	
Services Description: Our programs provide extended academic, enrichment, and recreational learning opportunities beyond the regular school day. School, family, and community partners provide instruction, tutoring, mentoring, and disguised learning activities that improve academic achievement, students' school attendance, and healthy development.	

Agency: Butte County Office of Education	Phone: 532-5745
Program: Truancy	Email: lwood@bcoe.org shanni@bcoe.org
Contact : Lee Wood (Truancy Mediation 9-12) & Sheri Hanni (SARB K-8)	
Client Description: 1 st through 12 th grade students and their parents who are habitually truant from school.	
Services Description: SARB addresses attendance issues of students and families (grades 1-8) that are beyond the scope of individual school sites and that have exhausted all school resources.	

Agency: Butte County Office of Education	Phone: 532-5745
